

COMMUNITY NEEDS MET

Not only do we support our neighbors by being the hands and feet, but this year we were also able to financially support our brothers and sisters through their times of need.

ACTIVE MINISTRIES

In 2023, Bondurant Fellowship became a formally recognized 501(c)(3) with the IRS.

Bondurant Fellowship has low overhead, allowing over 75% of donations to go toward ministry outreach and community support.

SUNDAYS

We believe that relationship is greater than religion. That's why we invite others to partake in a different kind of Sunday. Unscripted and spirit-led, we gather together to help each other increase in our relationship with the Lord.

In 2023, BF started meeting as a church community once a month, then transitioned to weekly in November.

Church attendance has multiplied this year!

TRIPLE CROSS YOUTH GROUP

In November 2023, Dan Tolson started the Triple Cross Youth Group. Four local boys meet once a week with Dan to discover truths, learn scripture and develop their own relationship with Christ.

We are incredibly blessed to be able to utilize the Bondurant Elementary School for this ministry.

WOMEN'S GROUP

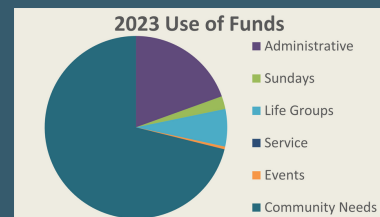

Ladies of Bondurant spent time studying the Word of God. The spring 2023 study was Everyday Theology. We regrouped in the Fall for Grati-Tuesdays where over 12 ladies attended these gatherings in November.

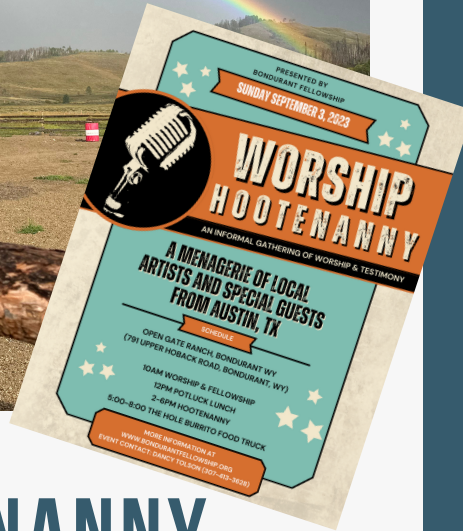

Four ladies attended the worship night at Red Rocks in October!

The ladies typically do at least 2 studies a year, with anywhere from 4-10 participants.

WORSHIP HOOTENANNY

In 2023, Bondurant Fellowship hosted a one-day event - a worship hootenanny, where local artists came to usher us into the Lord's presence through the act of worship through song and dance. Local worship teams from Tribe, First Baptist Church, and Gateway in Jackson Hole accompanied us. Special guests from KingsPorch, a house church movement in Austin, Texas, joined us as well!

Sunday started with a small worship gathering at the hill. The Lord partnered the clouds long enough for our Sunday message, led by Scott Lambie, to finish before the monsoon rain came in! Despite the rain, we continued to worship through it.

Bondurant Fellowship was blessed to have a large tent donated, which helped to house food and refreshments (and people) throughout the day. After the blessing of over 100 guests joined in Christ, the Lord continue to provide for us as we closed out the day with dancing and a rainbow (see photo above).

This day was full of tears, healing, joy and fellowship. A genuine gathering of the saints to worship the One and Only!

Save the date for August 31 - September 1, 2024 for the next worship hootenanny!
